The snowmobile will be on display on the Jordan’s lot. Kuntz said the snowmobile is a 2017 Polaris snowmobile with 100 hours and has been in storage since October. “The snowmobile should be in the showroom ready to go for now,” Kuntz said. The snowmobile will be the first snowmobile at Jordan’s Auto World since the store opened in 1968. Kuntz said if the snowmobile is at the store on opening day, it will be at the store for a year. Kuntz said the snowmobile will be on display on the store’s wall. “We’re getting it,” Kuntz said of the snowmobile. “I just don’t know the specifics of it yet.” Kuntz said the snowmobile will only be on display in the store. He said it will not be sold. Kuntz said the snowmobile will likely have a price tag of about \$50,000. “We would love to do it, but we’re not going to,” Kuntz said. “We don’t make money on snowmobiles.”
