I have always played the game with the old style bricks and it was boring. moviefobia What i love about this wall-paper is that the bricks are changing instead of the same old set, and instead it's broken in parts, the room, the furniture, the garden, the sky, the houses. It could improve the game by adding more variation and adding the possibility of choosing between, every time you start the game, your own house with a little house and a biggish house. mauritsmillers Interesting vector! oanna What i like is the fact that you have a choice for every building: brick house, villa, balcony, interior, tennis court, swimming pool, table tennis, tennis, club, spa, city scene, jungle, space, space a little bit more, space a little less etc. You have a choice. I'm a fan of the original one and i hope you continue making wallpapers like this. domenica it's difficult to see the animation.
