However, when you are in a couple, one of you will have to take charge of everything. It is not wrong to ask your girl to take charge. But then again, your responsibility is to maintain a relationship. I'm a firm believer that guys shouldn't dictate things to his girl. He should be taught a good lesson by following the rules that are given to him. You should not ask your girl to take charge because you want to. The other person is supposed to take charge. If you decide to get married to your girlfriend, you must try to work it out. If you are too much in love, you must do it. You should try to show your girl that your girl can take charge because you are jealous. AUTODATA345CrackFULL64bit also find that the charges of their employer should not have been brought since they were not essential and in all likelihood would be prejudicial. \* \* \* \* \* We hold that under the evidence here adduced in behalf of the State, the charging of essential and nonessential employees of the Smith Corporation was not mali pro se but were `the charges brought by lawful authority and at a proper time.' The charges were not an abuse of discretion and the trial court did not err in overruling the motion to dismiss." Appellants make no contention that the acts complained of were not done by employees of the corporation. They contend that the trial court erred in not sustaining their motion to quash the bill of indictment because the indictment does not allege that the acts charged were done by the employees of the corporation against the policy of the corporation and because the indictment does not charge the appellant, Isaac Smith, with having personal knowledge of the illegal acts as required by Code 1940, T. 30, § 6. As to appellants' contention that the bill of indictment does not allege that the acts charged were done against the policy of the corporation, we agree with the appellant that in order to prove its case, appellee must offer proof that the actions of the employees as charged in the indictment occurred against the policy of the corporation. However, appellee has relied upon the cases of State v. Smith, supra; and State v. Citizens Casualty Company of New York, supra, to the effect that when the possession, control, custody, or management of the corporation is intrusted to others than the directors, with the express or implied consent of the directors
