
Here's a short guide for all those who want to buy a home handgun but haven't decided which model they want. If you follow my advice, you'll pick the right handgun. Also, I've compiled a list of my top 7 handguns. ? The Best Home Handgun For Sale In 2020 | The Top 7 Handguns by UKBallistic. I recommend a home handgun for your first handgun for several reasons. First, it can be much cheaper than a second handgun. Second, you can usually purchase a.40 caliber home handgun and.38 caliber handgun with only one CCW permit, allowing you to be armed in all 50 states, and if necessary, a.357 Magnum home handgun.
