Screenshots Plot Summary Nick Dunne (Paul Giamatti) is a troubled man struggling with alcoholism and gambling. He agrees to accompany his wife, Amy (Reese Witherspoon), on a trip to Croatia with friends. Amy does not seem concerned about leaving her husband behind, but when they check into their hotel, she goes missing. Nick assumes she has gone home to her family in Florida, but he does not inform anyone about her disappearance. Two days later, the police find her dead body in a nearby alley, presumably a victim of foul play. The police inform Nick of his wife's death, and he must return home for questioning. Now Nick and his friend Vincent (Akash Bathija) must figure out what happened to his missing wife, and who is responsible. Production Missing On A Weekend was written by the duo Sebastian Joseph and Abhishek Jawkar, based on an idea by Joseph and produced by Joseph, Sebastian Joseph and Abhishek Jawkar. The film was directed by Abhishek Jawkar, and the cast includes Paul Giamatti as Nick Dunne, Reese Witherspoon as Amy Dunne, Karan Harihaan as T.J., Dibyendu Bhattacharya as Satish, and Akash Bathija as Vincent. So, you're thinking about getting a puppy. Before you take the plunge, you should think long and hard about whether it's right for you. Your answers to these questions will help you make an informed decision. If you have an allergy or a personal aversion to dogs, then you probably aren't the best choice for a puppy owner. So, if you're dealing with the symptoms of separation anxiety, have trouble dealing with crowds of people or are involved in a relationship with a dog, you should probably not get a puppy. I realize that sometimes you just have to have a dog, but this can be a decision you should make before you're willing to commit to puppy ownership. You can't always know how a particular dog will turn out. You might end up with a dog that's never again comfortable around kids or small children. You might become the owner of a dog that is aggressive toward other dogs or animals. You might get a dog that can't be trained because of his behavioral issues. These are just some of the things that could happen. You're too young to be raising a child. Because puppies are so small, they are easier to care for than a full-grown dog. But, it's important to realize that it's still a job. You will need to get up early to let your puppy out, make sure he gets all the food he needs, and then feed him again later in the
