The screenshot shows a file listing interface. At the top, it says "File was found and ready to download" and "UPDATED 14 HOURS AGO". Below this, it identifies the "Fastest Source" as "useenet.nl". A "Download" button is visible, along with a "5.4" rating and "100% positive" feedback. A note states "Click the download button and select one of the found cloud sources." Below the main content, there is a message: "You need to [log in](#) before you can post comments." At the bottom, there are three navigation links: "Navigation", "Registration", and "FAQ", each with a corresponding icon.

Speaking at the launch of a book of his correspondence with journalists, Mr Thompson said he had been "left with an inescapable impression that the BBC's neutrality could be farcical". In the book, he recalled: "It was, for me, the worst disaster for the nation's democracy" 2d92ce491b
