What can we learn from our Native American ancestors? Here are some Native American survival skills to consider. 1. Be aware. We lost a lot during the recent devastating floods. But in fact, we lose much more every day, and often without even realizing it, because we do not have the necessary knowledge on how to avoid problems. Floods and hurricanes occur quite unpredictably, and there are no effective antidotes against them. But at least we have a lot of skills to prevent and mitigate the consequences of such events.
