Video Description: Another much anticipated sequel that has at least a few things that change in the story and gameplay. The way the game has been edited has a few things to it that feels like a new game and not a sequel to the original games.

Features: - Quicktime/Media  
Player support, for the 360-7160. -  
Native PC Gamepad support. -  
Unlocked 'freestyle' waggle

---

controls to enable players to use the controls to their preference. - A newly designed control map that makes it easier to find all the buttons. - Achievements, including a few 'hidden' achievements. - Bebop DX is once again a playable character. - Some changes to the plot and story. - A new ending. - More original music, including some music from the late 1930's and 40's. - Music from Jerry Goldsmith (Star Trek II: The Wrath of Khan, Alien, E.T. the Extra Terrestrial). - Original music

---

from composers such as Hans Zimmer (Midnight In Paris, Transformers, Pirates of the Caribbean). - Two new bonus levels. - New 'Hard' mode for the Delta level. - An 'Ultra' version of the Delta level for those looking for even more gameplay depth and challenge 77a5ca646e
