Simple Cookie And Cache Remover Crack + Serial Number Full Torrent 2022

Are you tired of seeing the same webpages, ads, and graphics pop up every time you visit the web? This unpleasant phenomenon is called “caching”. Cache keeps the same, previously-visited webpages and pictures in the memory of your computer, so they are loaded faster. But, when you close your web browser and come back to it after a while, there are often stale pages and graphics, which are displayed on your screen and may slow down your computer. Simple Cookie and Cache Remover removes these unnecessary items from the memory, as well as the cookies, which are small files stored in your browser and used to store and transmit information to web servers. This, in turn, gives your computer a performance boost and makes surfing the web more comfortable. Tipard DVD to 3GP Converter is the best solution for converting DVD to 3GP format. What's New In Simple Cookie And Cache Remover?

Simple Cookie and Cache Remover is a small software application designed specifically for helping you delete cookies and clear the cache of your web browser. The tool lets you carry out cleaning operations for the following web browsers: Firefox, Chrome, Internet Explorer, Opera, and Safari. The advantages of being portable Since this a portable program, it is important to mention that it doesn't leave any traces in the Windows Registry. You can copy it on any USB flash drive or other devices, and take it with you whenever you need to remove cookies and clear the cache on the breeze, without having to go through installation steps. Compact layout Simple Cookie and Cache Remover embeds all dedicated parameters in the primary panel, so you can easily select the cleaning operation that you want to trigger. It integrates several handy buttons that help you delete the cookies or cache for the selected web browser. Additionally, you may wipe out both the cookie and cache for the web browser that you want. It is recommended to close your web browser before proceeding with the deletion task, in order to make sure the application accomplishes the process successfully. Performance Since it doesn't require much computer knowledge to set up the dedicated parameters, even less experienced users can learn to master the entire process in no time. Tests have indicated that Simple Cookie and Cache Remover carries out a task pretty quickly and without eating up a lot of CPU and memory. Bottom line All in all, Simple Cookie and Cache Remover offers a simple software solution for helping you get rid of cookies and cache, and is suitable especially for less experienced users.
