[color=red]Why I make

this files is because of the

fact that behavior files

size is a good size in the mod section of Skyrim files if it's. Mar 17, 2017 FNIS adds nice behaviors, but the author does not write behavior files that are compatible with other mods. Note that the FNIS 1.7 8.5 behavior files (.thb files) are compatible with other mods that add behaviors. Other mod authors can import behaviors. . Feb 24, 2016 Second FNIS Behavior V1 is about to
