Do you ever run into any browser compatibility issues? A few of my blog visitors have complained about my site not working correctly in Explorer but looks great in Chrome. Do you have any suggestions to help fix this problem? An interesting discussion is worth comment. I do think that you need to write more about this subject matter, it might not be a taboo subject but typically people do not discuss these issues. To the next!

Kind regards!! This is very interesting, You're a very skilled blogger. I've joined your feed and look forward to seeking more of your excellent post. Also, I have shared your site in my social networks! Pretty section of content. I just stumbled upon your website and in accession capital to assert that I get actually enjoyed account your blog posts. Anyway I will be subscribing to your augment and even I achievement you access consistently rapidly. I have been browsing online more than 3 hours today, yet I never found any interesting article like yours. It is pretty worth enough for me. Personally, if all website owners and bloggers made good content as you did, the net will be much more useful than ever before. I'm extremely impressed with your writing skills and also with the layout on your weblog. Is this a paid theme or did you modify it yourself?

Either way keep up the nice quality writing, it's rare to see a great blog like this one these days.. The other day, while I was at work, my cousin stole my apple ipad and tested to see if it can survive a twenty five foot drop, just so she can be a youtube sensation. My iPad is now destroyed and she has 83 views. I know this is entirely off topic but I had to share it with someone! I am really impressed with your writing skills as well as with the layout on your blog. Is this a paid theme or did you modify it yourself? Either way keep up the excellent quality writing, it's rare to see a great blog like this one today.. I love your blog.. very nice colors & theme. Did you

The Building and Construction Confederation says the shortfall in apprenticeships is up to 50,000. The BCA estimates that thousands of future home owners have had to wait up to five years for their first new house. The government and building firms have pledged £100m for the new homes programme, to help with the shortage. There has been a growth of 600,000 housing starts in England this year, according to the BBC, but the industry is facing a skills shortage which

could lead to thousands of empty homes. The vacancy rate for housing in England fell to 4.9% in the final quarter of 2011, its lowest in five years. But the BBC said the situation was much worse, with 14.9 million homes in the private rented sector currently empty. It comes as the government has set aside £100m to support the supply of new
