Keymacro is an innovative program for recording and preserving the Internet videos. It's the first program for recording and saving in 3 formats (jpg, gif, bmp) the Internet videos, using the micron webcam as a video cam or the webcam of any other type. Keymacro has been created to make people enjoy Web videos more frequently, even during a single session. With Keymacro, you can save on your PC or on a webserver, only the most interesting part of the video, which will be immediately viewed, because you will not be bothered with the details. Keymacro records all your Web videos

---

in 3 formats (jpg, gif, bmp) and you will always have them at hand in your PC or webserver. That is how Keymacro is a win-win solution for recording and saving Internet videos: saving your time and making people enjoy more the Web videos. Keymacro is powerful in that you can record and save different parts of a video: [?] Full videos [?] Several times, from 20 to 45 seconds [?] Both compressed and uncompressed videos [?] Selectively from the captured frames Keymacro can capture videos in any format of a web site, like YouTube, and for example, you can save only the first video without sound, or only the one

---

with sound, but you can also capture with Keymacro a video with sound, in mp4, avi or flv format. Besides, you can save several videos from a single Web site, and these videos are automatically created and grouped in a folder. Keymacro has also a great function to record videos for you, using a micron webcam, and the current date and time is automatically recorded in all videos, which is very convenient for you, because you can always watch them at the same time. You can also record the webcam of any other type. Keymacro can capture videos using any webcam, including the webcam of any other type. For example, if you have a

---

webcam of any type, and you have the version of the program, you can install it on your computer, and then connect your webcam to the computer and you will record the webcam videos.

Keymacro is easily to use, without any technical knowledge. It is easy to install, and run. It has a friendly interface and a simple look. Some key features of Keymacro:  77a5ca646e
