It is thePCL Games is the World's Leading Speed-Casual Strategy Game Publisher Speed-casual game distributor PCL Games today announced new funding of \$20 million and the formation of a subsidiary, PCL Global, to develop and release games based on the hit mobile game franchise, Plants Vs Zombies™. PCL Global will develop and publish high quality games globally, across multiple platforms, including Android, iOS, Facebook, and PC. The company will also develop exclusive intellectual properties for PCL Games that target the global marketplace. PCL Global will be located in the Los Angeles area and will leverage the PCL Games team's talented global development operations, as well as PCL Games' strong existing relationships with partners and other licensees. The new subsidiary will be led by Hugo Rodriguez and Matt Warchol. Previously the company's president of mobile, Mr. Rodriguez will lead PCL Global's efforts in bringing the Plants Vs Zombies™ franchise to new platforms, including mobile, social and the Web. He has played a critical role in the growth of the franchise as the Executive Producer of the game, which is the number one grossing app of all time, and has also served as the studio executive of Zynga's Stockholm team and Orange/MAA's London studio, where he managed a team of more than 80 people. Mr. Warchol, previously the General Manager of PCL Games' mobile division, will serve as PCL Global's Chief Revenue Officer, focusing on global marketing, distribution, and licensing, bringing the Plants Vs Zombies™ franchise to new territories. PCL Games will continue to publish PCL Games' portfolio of AAA title franchises including Ace Patrol®: Secret Agent, China: War of the Flying Dogs® and the Bully® franchise. "We are thrilled to have the opportunity to build upon our success as an existing mobile game company," said Christian Schuttenberg, CEO 3da54e8ca3
