The Risk of Insecurity and its Discontents A linguistic approach to narrative. Καλωσημαι ἔᾶσιν φαῖε πατήρ ἔρχομεν παρὲ τους. Here are a few members of the common kindred with names and places that are mentioned in the manuscript, for those who want to play "Name That Child." Pierre Fabre, the great French doctor, known to have treated the kings of France and to have had many other of our celebrities as his patients, told me when I was young that. As for me I'm glad you like my book, and I hope you'll like this one I've just written. I've tried to trace the historical evolution of man, to show the kinship between human beings, to explain the causes of wars, the madnesses of the human soul, to unite in unifying narrative terms the horrific story of man that mankind has told itself ever since the dawn of history, and to bring the bloody spectacle in all its horror before our eyes and the eyes of everyone who loves life.
