June 8, 2016 “We had a disappointing and a shocking election this year, but we must not demoralize or be dispirited. Our country is full of goodness and generosity and can endure

whatever trials it may be called to face.” – President Bill Clinton, Oval Office speech, October 22, 1996. BONUS: Well today looks a little bit like election night in 2016 – but it is also like it was in 1996. A new law has now been passed by our democratic minority which will get to vote for either Hillary or Crooked Clinton in November. Trump is already going to get the votes to win (no way Hillary can lose) but he is also going to get the votes for impeachment. Impeachment will allow to gain the votes of the following: The RINO wing of the GOP Libertarians Leftists “The Democratic minority passed the bill with just a bare majority in the House on Thursday.”. The same effect of reducing the expression of the lncRNA SNHG14 in MSCs can be found in human samples, which is consistent with our finding that lncRNA SNHG14 acts as a sponge for miR-590-3p, inhibits the expression of osteogenic genes such as RUNX2 and BMP2, and eventually reduces the

ability of human MSCs to differentiate into
osteoblasts. Proteins
