La israelita Margalit ha sido galardonada con un premio de la Academia Islas Canarias. I don't recommend the UHJohn 2 ION because there's no. and the HDTV version downresed considerably, so you. The latest version of our equalizer is much like the HDTV version of the. The danger of messing with major movies is that any small blemish is magnified (ala the whining about computer effects. It's for the Desperate Housewives fans, I guess.. El Hobbit 2: La Desolaci3n De Smaug (Extendida).Q: jQuery add method for the same class This is my scenario: Some of my divs have the same class names. I would like to perform certain actions on all the divs with the same class name. Could you please give me a hint? A: \$('div.class').each(function () { /\* code \*/ }); or you could call your function separately by class name (if you want to pass in the class name) \$('div.class').functionName(); If you want to have multiple divs with the same class name (one by one), you could use a function like so: \$('div.class').each(function (index, obj) { /\* code \*/ //this is equal to obj var object = \$(obj); }); If you are trying to re-use these calls across multiple dom elements, you could store your function name in an object and access the method from the object for reuse later. var myObject = { functionName: function () { /\* code \*/ } }; \$('div.class').each(function () { //access the method by referring to myObject.functionName(); myObject.functionName(); }); Q: How to use TYPO3 9.5.0 and PHP 7.0.22 to create a REST API with JSON output I would like to create a REST API in TYPO3 9.5.0 with PHP 7.0.22. And I'd like to use JSON as the output type
