I've been working my little butt off trying to get my new family set up - an exciting and fun project, which I'm really happy about. Now I can't wait to get home for my family and friends, and have a break. I still feel like I'm on duty here, though, so I decided to do a few prayers to come home at an interval that works for me... :-)

First, a short prayer for my family and friends - especially for my mom, my dad, and my new brother - that they'll be safe and sound for the next months until I get home. And thanks to all of you here who pray for them! And then a prayer for these friends of mine who're coming to visit me next week... 0.8.7 download: 100 updates, 106 plugins, 5990 themes, and 3000 theme-leds. What's New In?

Kanji and Hiragana can represent everyday ideas in Japanese language and each character can convey its meaning. You can learn Kanji to write Japanese language because a single Kanji character sometimes expresses one or more words. So, we can easily make sentences without Hiragana by expressing ideas through combining Kanji. All characters used in this collection are edited by professional Kanji designers. Most of the characters in this collection are highly-detailed and you can select many colors to make Calligraphy Theme as your desktop wallpaper.
