A 1-substituted-2-imidazolin-1-carboxylic acid can be prepared by a process comprising acylating a hydroxyphenyl ether with a 1-substituted-2-imidazolin-1-carboxylic acid in the presence of a base. The 1-substituted-2-imidazolin-1-carboxylic acid is conveniently prepared by a

process comprising reacting an N-protected amino-1-substituted-2-imidazoline with a carboxylic acid or its acid addition salt in the presence of a base, followed by removal of the protecting group. The reaction may be carried out in an organic solvent such as dimethylformamide. The resulting 1-substituted-2-imidazoline-1-carboxylic acid is then reacted with a ketone in the presence of

an acid or a salt thereof, in an organic solvent such as 1,2-dimethoxyethane, to give a 1-substituted-2-imidazoline-1-carboxylic ester.

The above processes are exemplified in the examples below. A 1-substituted-2-imidazoline-1-carboxylic acid can be prepared from 2-imidazoline-1-acetic acid by two processes comprising the following reaction steps, for example. The first process is known

(Langlois, L. N., Seitz, H. G. Synthesis 1989, 619-620).

The second process comprises reacting 2-imidazoline-1-acetic acid with a base to form 2-imidazoline-1-carboxylic acid, followed by reacting the 648931e174

The sheer excitement of the Super Bowl is probably responsible for a lot of the

attention on Cam Newton's girlfriend, Kayla Cullen. She's never seen a hype train like this. While football fans are thrilled to see the Carolina Panthers take on the Philadelphia Eagles, they're more excited to see her. Cam Newton publicly described her as "the love of my life" during the offseason. Cullen's more than just a pretty face. She's a vegan rockstar. And you have to appreciate that even on the big game day. You may have to scroll through to see her shirt, so here's a quick reminder of what she's probably wearing underneath: Cullen now has over 2.6 million followers on Instagram. While this is not a huge accomplishment for most people, it's huge news for the Panthers quarterback. He's currently one of the highest-followed athletes on the platform. It's pretty amazing. Cam Newton is the kind of guy that knows how to use the internet. It's nice to see that he's also proud of his girlfriend. And what a successful couple they look to be. The team's season is still young, but they're off to a good start. This is

probably a big time in their relationship. The rivalry with the Eagles will only ramp up, but it's still early. Newton's future is still unclear.

It's impossible to tell what happens in the NFL. But we know that two people who love each other probably have a good shot at a happy marriage. Does that mean we'll be seeing more photos of Kayla Cullen during the big game? Stay tuned. The incident is the latest in a series of snubs from NFL commissioner Roger Goodell of Newton's alleged involvement in domestic violence against his former girlfriend Dominique Sanders.
