I like that. I wanted to feature one of my recent purchases: It's definitely been an exciting week here at Disney College Program! I used to be the type of person who would have a few major style factors, but even with

What is the top 5 website you used to learn programming? - BinaryIdiot I am currently trying to learn programming and most of the tutorials I saw online, they tend to be interesting / fun. However, they rarely have practical examples or are not updated as fast as I want (browser/text editor dependent). I am trying to find a place to get better tutorials in a specific subject, / start from. I would love to hear your top 5 websites, blogs/channels/whatever to
