City-states cling to power, are ruled by warlords, and are fragments of their former selves. As chaos is spreading, the Divine Order, one of the oldest and most powerful institutions in the galaxy, challenges the established order, as its own power declines. This is a game where your choices lead to the fates of your characters. The Divine Order is crumbling, the Chantry is in chaos, and the Imperium of the South is spreading through the galaxy. As chaos spreads, most of the Divine World crumbles into a new Dark Age. Most citizens of the Divine World believe the Order is to blame for the chaos, and you, a Divine Child, are their champion. Your story begins here. Since the Divine Destruction, the Skyfarer Order is the last of the old houses in the Divine World, and its single largest sponsor is the Chantry. With the Divine gone, the Skyfarer Order faces a revolution led by those who want to leave the Chantry and the Emperor, and follow their own interests. Is the Skyfarer Order ready for a revolution? The Divine is gone. Only the Void remains. The Son of the Divine has fallen into the Void, transformed into a Divine Child. The child that should have been the Divine but that chooses to climb to power in the mortal world in order to serve the Void. Choose your origin story. Choose one of the unique origin stories that will define your characters background and your personal quests. For the first time in a Divinity game, play as a Human, Lizard, Elf, Dwarf, or Undead, each with unique racial skills. Watch the world and its inhabitants react to who you are and what youve done, unlocking new dialog options and quest lines. Or create your own story by building your character from the ground up.
